BLACK KNOT FUNGUS

Many trees (mainly mayday, fruit trees, and shrubs) in the Village are being infected with Black Knot.

Black Knot is a fungus that sets in over winter, gets in knots and twigs, then the branch swells in the spring. The fungus is carried by wind, rain and wildlife.

This fungus is devastating and spreads quickly. If you see this fungus the only way to get rid of it is to cut it out of the tree, disinfecting the saw blade after each cut. Please do your part to stop the spread of Black Knot, be proactive.

ANIMAL OWNERS:

FRIENDLY REMINDERS

1. Please ensure you register / renew your animal licenses with the Village Office. Licenses are due at the end of January or upon purchase / adoption of cats and/or dogs.
2. Please clean up after your animals! When you are walking your dogs, please ensure you have disposal bags to clean up after your pets. Please dispose of the soiled bags in the public garbage cans located around the village or when you get home.

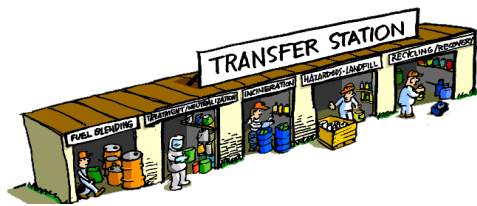

PAYING UTILITY BILLS AND TAXES

VOLUNTEERS NEEDED FOR PLAYGROUND INSTALL

The Acme Seniors Association received a matching grant for roughly \$93,000 for playground equipment. Monetary and in-kind donations have been made from some of our local Service Groups, Businesses, and the Village to help purchase an accessible playground worth roughly \$200,000. This playground will be installed at the North end of the Village in Rose Park.

Now, we need the help of our community!

Installation is scheduled for:

1. Wednesday, May 24
2. Thursday, May 25
3. Friday, May 26
4. Saturday, May 27

If you are available to volunteer for one or all of the days, we would greatly appreciate your help!

Food, drinks, and supplies will be provided for all volunteers.

If you are a parent with young kids, but still want to volunteer, we will have childcare provided at the Community Hall! We are looking for a couple of volunteers to help in this area as well. If you want to contribute to the playground installation, but are unable to help with the physical side of it, please consider helping out with the kids!

Please email j.waugh@acme.ca or call the Village Office to add your name to the list of volunteers. Juanita will be in contact with each volunteer by email with more details closer to the installation date.

Thank you in advance for giving back to the community and making this a great place to call home!

National Volunteer Week is April 16-22, 2023

The Village of Acme Council and Staff and Kneehill Regional FCSS would like to acknowledge the many area volunteers who show every day how much they care about our community and the people who live here. Thank you for the generous amount of time, energy, and ideas you devote to your community!

“Volunteers do not necessarily have the time; they just have the heart.”

~Elizabeth Andrew

Volunteers don't get paid,
not because they're worthless,
but because they're priceless.

FUN FACTS ABOUT APRIL

- ◇ April's flower is the Daisy and Sweet Pea and April's birthstone is Diamond.
- ◇ The name April comes from the Latin word *aperire*, meaning "to open", just like flowers do in spring.
- ◇ April is a great month for meteor showers. One of which is the Lyrids meteor shower, which appears from April 16th to April 26th each year. There's another one called the Eta Aquariids meteor shower that can be seen onwards from April 21st.
- ◇ On April 14, 1912, the famous Titanic ship hit an iceberg and sank on her first and only voyage.
- ◇ On April 11, 1970, Apollo 13 was launched and ran into difficulties about two days later. It was then that the famous line "Houston, we've had a problem here" was said, and is today usually misquoted.
- ◇ Ford unveiled their first Mustang on April 17, 1964, costing \$2,368.
- ◇ April has two zodiac signs - Aries and Taurus.
